Jukes Rd Grasslands

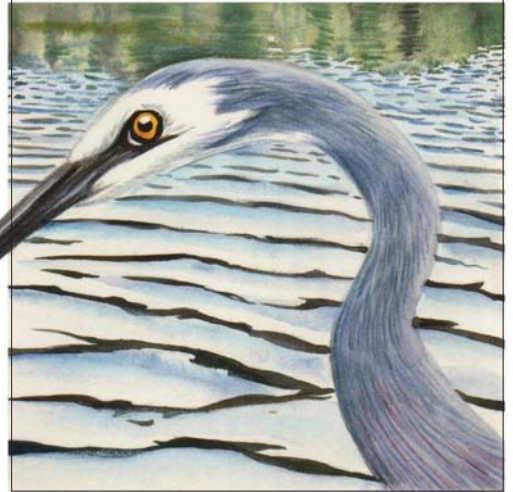

The Jukes Road grassland is a home to native wildflowers, insects, birds, mammals and reptiles. Less than one thousandth of Victoria's original grasslands exist today.

White Faced Heron

These elegant, generally solitary residents of the creek and wetlands seek out places where fish, frogs and insects are plentiful.

COBURG NORTH

Community Contemplative Garden

The Community Contemplative Garden is a peaceful place, where clients, carers, bereaved people and their families and friends can find reflection and comfort.

PRESTON

Cable Suspension Bridge

The only suspension bridge on Merri Creek was opened in 1985 in celebration of Victoria's 150th Anniversary. It replaces a similar bridge that was constructed in 1925 and demolished in 1983.

THORNBURY

Strettle Wetlands

Originally constructed in 1989 and progressively planted with indigenous trees, shrubs and aquatic plants.

NORTHCOTE

CERES

A unique 4 hectare park dedicated to community and environmental initiatives. It also features a popular cafe. Open 9.30am-4.00pm daily.
